

SPONSORSHIP PROGRAM

Building A Better Tomorrow
For Orphaned Children

Who are we?

Since its inception in 2006, Al-Ayn Social Care Foundation has been dedicated to empowering orphaned children by equipping them with the necessary tools to fulfill their full potential at every stage of their lives.

Al-Ayn has over 17 years of experience serving over 150,000 orphaned children in Iraq. Our services have now expanded to Afghanistan and Ghana, where we strive to make a positive difference in the lives of even more orphaned children and their families.

Our unique approach to sponsorship: Beyond basic support systems

At our core, we believe that every child deserves a chance to succeed. That's why our sponsorship program goes beyond the bare minimum. We're committed to breaking barriers by offering comprehensive support to orphaned children and various opportunities that enable them to pursue their dreams.

Our belief is that when children have access to the necessary resources to unlock their potential, the possibilities become endless. This support gives children the stability and security they need to thrive and succeed.

Our comprehensive care system gives the child access to:

- ✓ Financial aid
- ✓ Medical care
- ✓ A safe home
- ✓ Education and academic support
- ✓ Psychological rehabilitation
- ✓ Personal development opportunities
- ✓ Vocational training
- ✓ Basic necessities and more

Luminous Stars Centers: Sustainable solutions for orphaned children

Our mission goes beyond addressing the basic needs of orphaned children. We prioritize sustainable solutions and aim to empower children so that they can build a brighter future for themselves and their communities. This is where Luminous Stars Centers come in.

These centers offer a range of vocational training programs to equip orphaned children with various skills for future employment. Additionally, they provide essential mental health support through psychological rehabilitation clinics and on-site facilities for physical health support.

Breaking Barriers: Providing life-changing support in Afghanistan and Ghana

At Al-Ayn, we are committed to building sustainable, effective, and dignified services for orphaned children and their families in Afghanistan and Ghana.

Ongoing instability, food insecurity, and growing inequalities have left orphaned children in Afghanistan and Ghana among the most vulnerable. Orphaned children, just like any other children, deserve to thrive - not just survive - their circumstances. We are dedicated to giving them a chance to grow, discover, and believe in the limitless future that awaits them.
